

The Mission Force Commander brigadier general Millan visits KTC

After the Change of Command ceremony, that took place the 31st of January in EUTM MALI HQ Brigadier General Enrique Millán carried out his first official visit to the Koulikoro Training Center (KTC). In this visit, the General held several meetings with personnel of Koulikoro Training Center (KTC), including an office call with the KTC EUTM Training Task Force Commander, Colonel Olazabal and the Station Commander of the Malian Forces that are stationed there, Coronel Dembele.

During this important day the Mission Force Commander visited the garrison, spoke with the Spanish contingent and visited some of the courses which the Malian Armed Forces (MaAF) are receiving from the EUTM Task Force. -He also visited the European ROLE2 hospital, whose crucial mission is to provide advanced medical assistance to the EUTM Personnel.

Finally, General Millán attended the Medal Parade Ceremony where several EUTM Mali members were awarded the Common Security and Defense Medal for their service under the EUTM Mali flag.
